This is a tentative programme to allow participants to organize themselves. There are more papers which are yet to be factored in the programme. In case your paper is not in this initial programme it will be factored in the final programme, if your paper is among the one which are yet to be scheduled, you’re free to enquire to ensure it is in the final programme.

NB:

As our tradition, we are requesting for volunteers who wish to chair some sessions or rapporteur proceeding of some sessions of the conference, to let us know through email. We have some who have expressed their interest and they will be considered. The slots are few so those who don’t get the opportunity to serve now, we still have other opportunities in future. Thanks
